ABOUT US

MEET US ON A NEW LEVEL

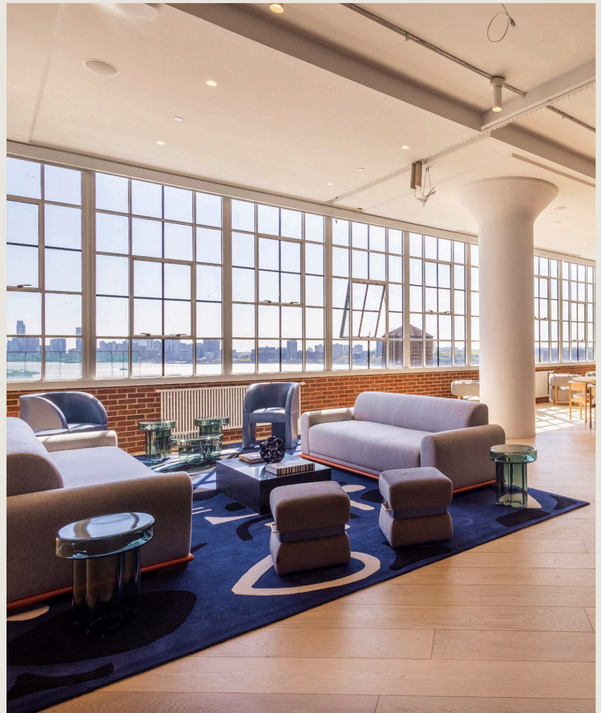

Level Ten is a destination for those who make, gather, and imagine. It brings together a collection of dynamic spaces designed for meetings, events, and content creation, each elevated by technology, hospitality, and signature New York design energy.

Located within the landmark Starrett-Lehigh Building, Level Ten carries forward a legacy that has shaped New York's creative spirit since 1931.

STUDIOS

From private recordings to fully produced content, our Duo, Quad, and Interview Studios are designed for podcasting, video production, and seamless web conferencing. Each space is adaptable to your needs with the Interview Room offering a bespoke setting for expanded layouts, custom set design, and elevated production needs.

CREATE IT YOUR WAY—FROM THE FIRST TAKE

Professionally engineered studios designed for podcasting, filming, and seamless web conferencing. Sound-treated studios and integrated technology deliver clean, production-ready results—giving you full control to create and capture content exactly as intended.

RENTALS INCLUDE

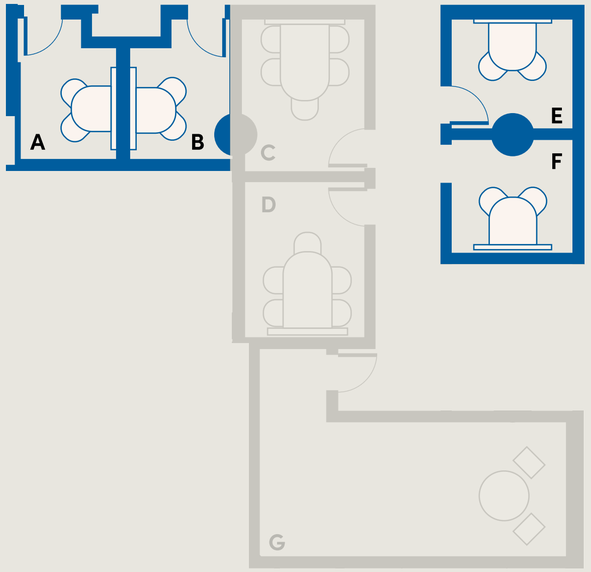

Enterprise-grade WiFi

On-site technical support

EQUIPMENT & PRODUCTION ENHANCEMENTS

Each studio includes a comprehensive, production-ready equipment package designed to support high-quality audio and video capture. For more advanced needs, we offer upgraded services and tailored production support—including in-room technicians, sound engineers, expanded camera setups, and customized configurations—ensuring a seamless and elevated recording experience.

DUO STUDIOS

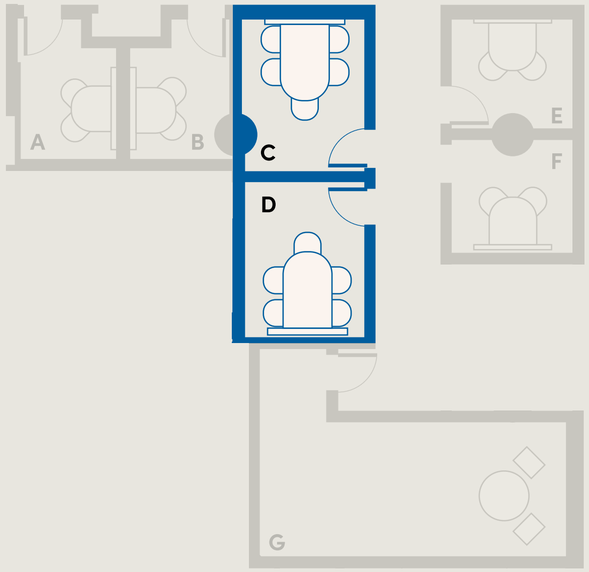

A refined, intimate setting designed for private work, one-on-one conversations, solo recordings, and focused content capture. Duo Studio delivers a seamless experience for both in-room and remote participants.

FEATURES

- Fixed desk setup with handcrafted furnishings
- 50" flat panel monitor with fully integrated AV and video conferencing
- Silk-screen ring light with adjustable lighting controls

Studio:	A, B, E, F
Capacity:	Up to 2 guests
Camera Capability:	Up to 3 camera angles

QUAD STUDIOS

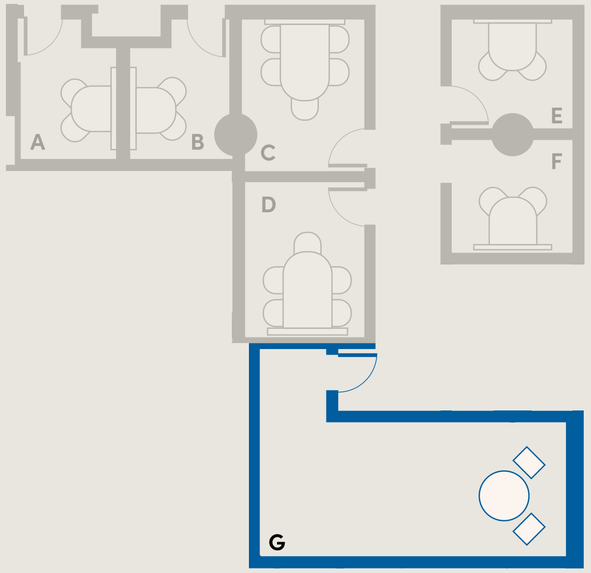

A collaborative environment built for dynamic conversations. Quad Studios accommodate multi-guest recordings, virtual participants, and team-driven content—designed for clarity, comfort, and seamless hybrid engagement.

FEATURES

- Fixed desk setup with handcrafted furnishings
- 50" flat panel monitor with fully integrated AV and video conferencing
- Silk-screen ring lighting with dimmable controls

Studio:	C, D
Capacity:	Up to 4 guests
Camera Capability:	Up to 5 camera angles

INTERVIEW ROOM

A larger-format studio designed for elevated production. The Interview Room offers the flexibility to scale, with the ability to introduce bespoke layouts, custom set design, and enhanced visual storytelling.

FEATURES

- Flexible layouts to accommodate panels, interviews, and custom formats
- Silk-screen lighting with enhanced production capability
- Custom backdrop or green screen integration

Studio:	G
Capacity:	Up to 10 guests
Camera Capability:	Up to 6 camera angles

SERVICES

SEAMLESS AV & TECHNOLOGY | CURATED CATERING
VENUE COORDINATION AND SERVICES

CURATED CATERING

ALL-DAY OFFERINGS

Thoughtfully curated menus designed to sustain and energize guests throughout the day. From light morning fare to continuous refresh and midday dining, offerings are tailored to support productivity and flow.

ENHANCEMENTS

Customize your guest experience with curated add-ons that elevate presentation, variety, and service. From specialty stations to signature moments, enhancements allow for a more tailored and memorable event.

RECEPTION & BAR

Elevated reception menus and bar programs crafted to create a seamless and engaging guest experience. From passed hors d'oeuvres to curated cocktails, each element is designed to complement the tone and style of your event.

TAILORED SERVICES

Flexible service styles designed to align with your event goals and guest experience. Whether formal or relaxed, our team works with you to select the right approach to best support your program and flow.

EVENT SERVICES

PRE-EVENT COORDINATION

From booking to execution, our team assists with layout planning, vendor coordination, and logistics. We partner closely with you to clarify goals, streamline approvals, and ensure every detail aligns with your vision.

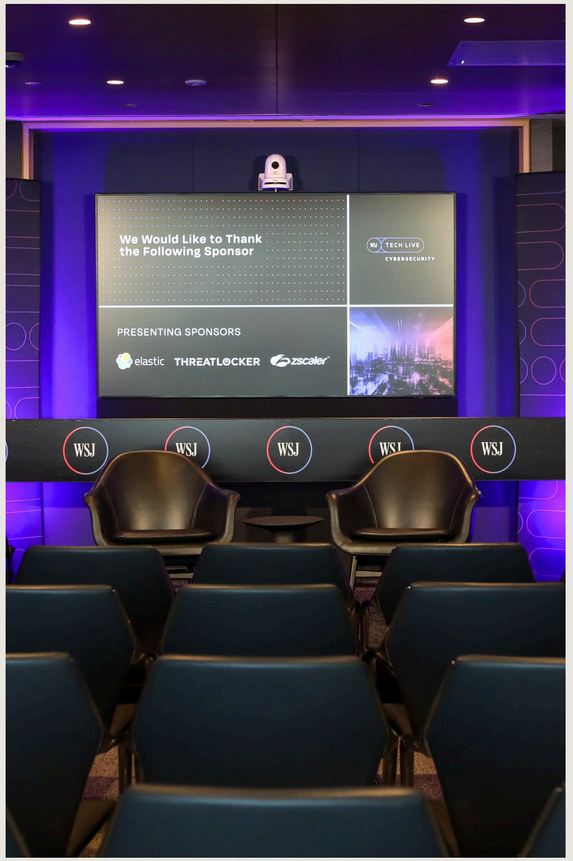

DAY-OF MANAGEMENT

On event day, we take care of the details so you can focus on the experience. Our experienced venue managers provide on-site support to ensure all elements are executed as planned. We proactively oversee operations and seamlessly troubleshoot in real time.

VENDOR INTEGRATION

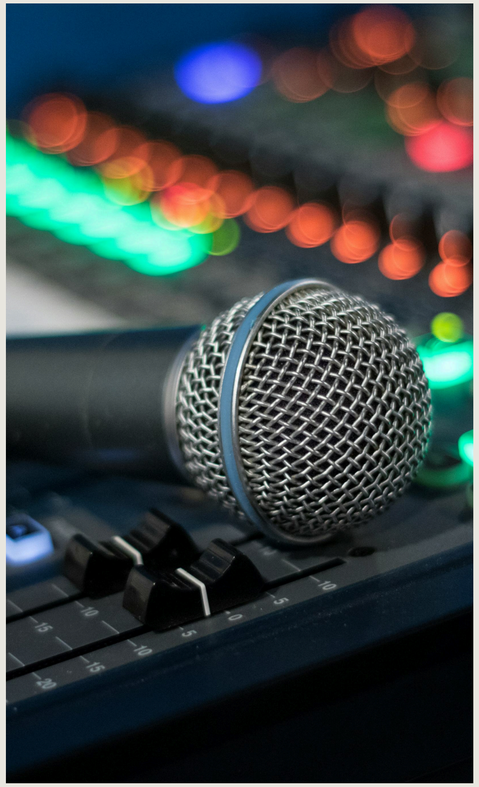

We partner with a trusted network of preferred vendors across florals, rentals, and production. New vendors are welcomed and supported through a streamlined onboarding process to ensure efficient and seamless execution onsite.

PREMIUM UPGRADES

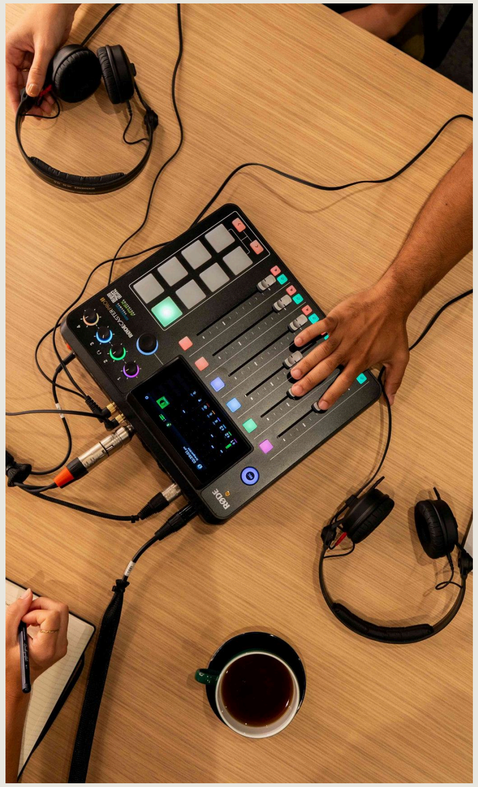

A range of enhancements and staffing upgrades are available to support your event, including dedicated elevator service, coat check, and an array of digital branding opportunities. These services are available upon request and tailored to your event needs.

SEAMLESS TECHNOLOGY

STATE-OF-THE-ART AV SOLUTIONS

Fully integrated, high-performance AV infrastructure designed to support seamless presentations, live events, and hybrid experiences. Built for reliability and ease of use across every event format.

INTEGRATED TECHNOLOGY

Seamless connectivity comes standard, with high-speed WiFi and intuitive web conferencing solutions designed to support dynamic, hybrid experiences and effortless collaboration.

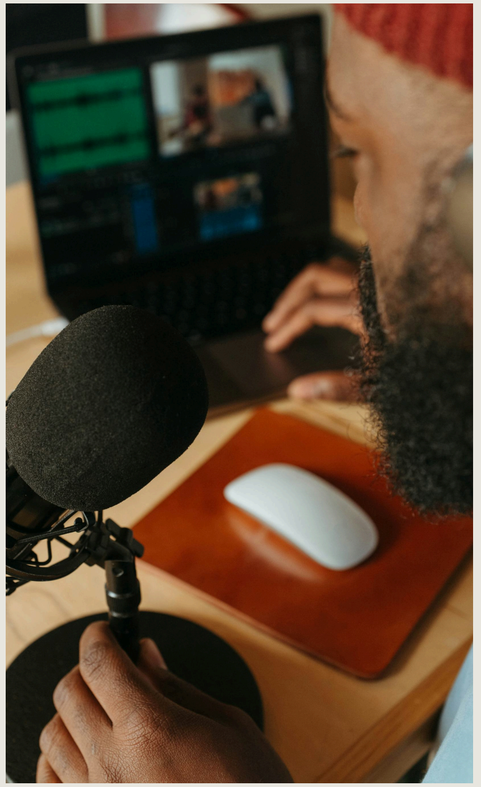

PROFESSIONAL RECORDING & STUDIO EQUIPMENT

Capture content with broadcast-quality audio and video using our in-house studio capabilities. Ideal for audio recording, podcasts, vodcast, and content creation, with equipment designed for production-ready results.

ADVANCED PRODUCTION

Advanced production upgrades available to elevate bespoke production needs—including multi-camera setups, custom lighting, and specialized technical configurations tailored to your needs.

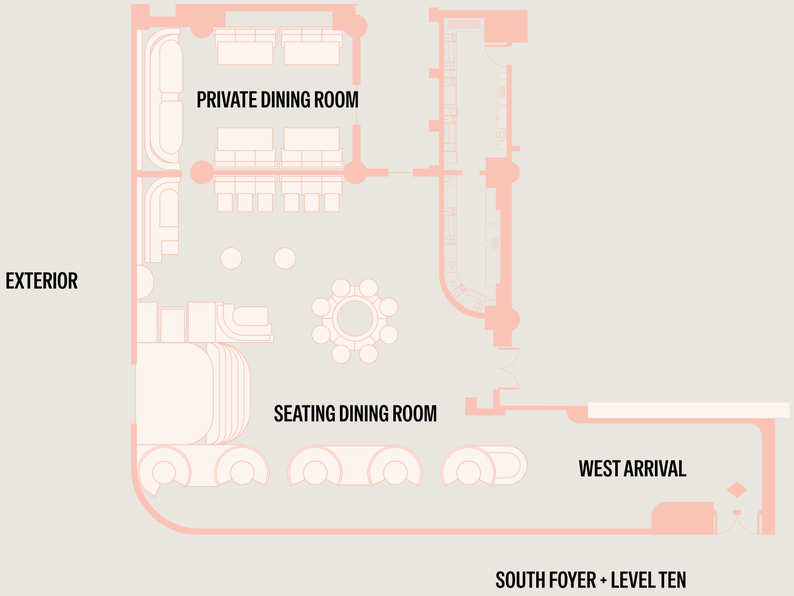

ON-SITE AV SUPPORT

Dedicated on-site AV professionals ensure seamless execution from setup through breakdown, providing real-time support and troubleshooting to keep your event running flawlessly.

THE YACHT CLUB

The Yacht Club is Level Ten's flagship hospitality destination, offering coastal cuisine, classic cocktails, and panoramic skyline views. Featuring multiple indoor dining spaces and expansive outdoor terraces, the venue is designed to accommodate everything from intimate dinners to large-scale receptions.

THE YACHT CLUB

THE DINING ROOM AND PRIVATE DINING ROOM

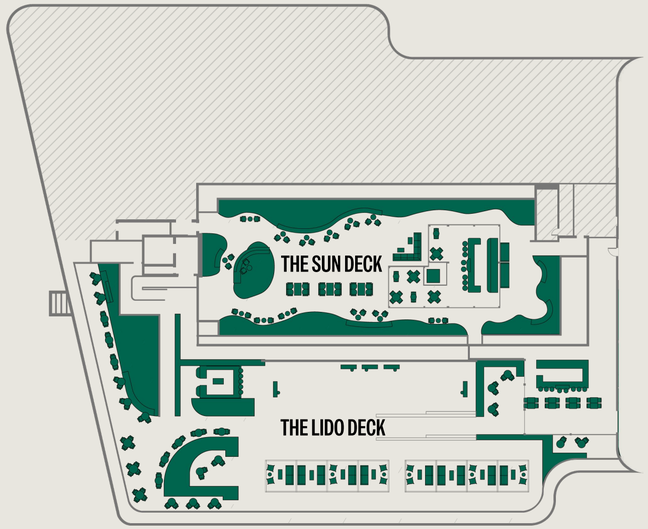

The Dining Room showcases The Yacht Club's signature hospitality, pairing nautical-inspired design with a striking cocktail bar and a welcoming atmosphere for dinners, receptions, and group gatherings. For more intimate occasions, the adjoining Private Dining Room offers its own bar and waterfront-inspired décor, creating an ideal setting for executive dinners, private celebrations, and smaller receptions.

PRODUCTIONS EVENTS

ANNEX SPACE

Spaces That Transform The Starrett-Lehigh Building offers a collection of flexible event spaces for Brand Activations, Fashion Presentations, Galas, Art Fairs, Exhibitions, and large-scale productions. With expansive footprints, unique skyline views, industrial character, and production-ready infrastructure, each space can be configured to support a wide range of event formats and production needs at any scale.

WHITEBOXES

Raw, flexible venues ranging from 5,000 to 60,000 square feet, designed for brands, agencies, and producers seeking complete creative freedom. Ideal for immersive activations, experiential production, product launches, fashion presentations, and custom installations, these spaces are built to transform around your vision.

EXPO

Located on the ground floor of the Starrett-Lehigh Building, EXPO is a highly visible, 5,000-square-foot event space designed for consumer-facing experiences. Featuring extended ceiling heights and built-in infrastructure, the space is ideal for brand activations, pop-ups, product launches, community programming, and event registration experiences.

SPACE 3/4

Spanning more than 100,000 square feet across two dedicated floors, Spaces 3/4 are purpose-built for Trade Shows, Art Fairs, Galas, Exhibitions, and large-format productions. The expansive footprint, venue infrastructure, and flexible layouts support highly customized events for up to 1,400 guests.
